## PROCEEDS TO BENEFIT PEOPLE WITH DISABILITIES IN OUR COMMUNITY

The ServiceSource Foundation is a 501(c)(3) that supports the people and programs of ServiceSource and its affiliated non-profit organizations. Since its inception in 2004, the ServiceSource Foundation has raised more than \$36 million, supporting more than 35 programs. Each year, ServiceSource serves nearly 40,000 individuals who have disabilities and helps more than 4,000 individuals obtain employment through ServiceSource employment contracts or job placement with community employers.

**One hundred percent of the money raised at *Wine in the Woods* is used in direct support of the people and programs of ServiceSource.**

### YOUR CONTRIBUTIONS AT WORK!

Programs and services that are supported by the ServiceSource Foundation include:

- **Family Support Services:** providing resources and support to individuals and their families.
- **Bloom Artisan Program:** self-employment program for individuals who have disabilities.
- **Warrior Bridge Services:** providing veterans with wrap around supports and employment
- **FinanceAbility:** providing financial literacy and training to help individuals gain independence.
- **Long-Term Community Inclusion Programs:** providing state-of-the-art supports in dance, music, art and yoga therapy, along with sensory rooms and therapy services.

*Thank you for your continued support!*
