FIRST ANNUAL Service Excellence Awards Dinner Denver, Colorado

Wednesday, September 23, 2026 • 6:00–8:00 PM • Denver Botanic Gardens 1007 York Street Denver, CO 80206

A Celebration of Excellence

ServiceSource provides services and supports to individuals who have disabilities and who may experience homelessness in the Denver community. Programs include employment services, housing supports, food pantry and mobile shower and laundry services.

The Service Excellence Awards dinner is our premier mission event in which we recognize our exceptional employees and our community partners who support our efforts in the Denver community. All money raised through sponsorship at the Service Excellence Awards dinner is used to support the fundraising campaign for Henninger Legacy Homes.

Henninger Legacy Homes will open in 2026, providing 60 affordable and accessible housing units, in a newly built four-story building located in the historic Baker Neighborhood. ServiceSource will also provide on-site support services and community programs including a community food bank, mental health resources, and a workforce development drop-in center.

Show your support for Henninger Legacy Homes by becoming a sponsor of the 2026 Service Excellence Awards.
