2026 AbilityOne Employee of the Year

Logan Reed

Food Service Worker, Fort Indiantown Gap

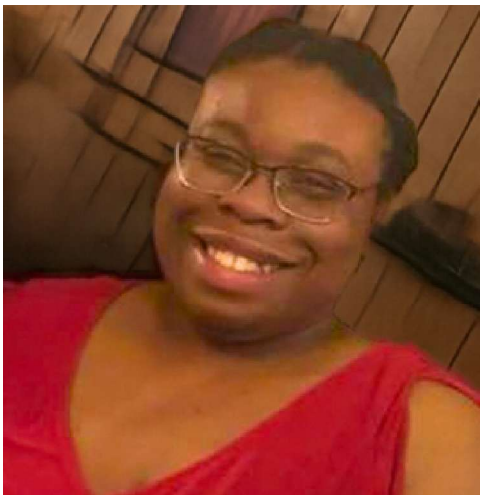

Logan exemplifies the core values of OCI and the AbilityOne® Program through his unwavering dedication and positive impact on both his team and the military customers he serves. Management and supervisors rely heavily on Logan because of his consistency, dependability, and strong work ethic. Outside of work, Logan maintains a busy schedule while also dedicating time to support his grandparents, with whom he lives, and actively working toward earning his driver's license to enhance his independence.

2026 Community Placement Employee of the Year

Tykesha Perkins

Dishwasher, Skipjack's Dining

Tykesha exemplifies the very best of what OCI strives to cultivate – long term employment success, personal independence, and the confidence to make meaningful contributions to one's workplace and community. Tykesha manages her responsibilities with self-assurance, maintains strong workplace relationships, and demonstrates the maturity and consistency required to thrive in long-term employment. Her outgoing personality, positive energy, and willingness to help wherever needed make her an indispensable part of the Skipjack team.

2026 Staff Awardee of the Year

Pierre Wright

Assistant Director, Contract Operations

Pierre consistently goes above and beyond to support staff, mentor emerging leaders, and create an environment of accountability, teamwork, and mutual respect. His willingness to step in wherever needed and support operations outside of his direct responsibilities reflects his commitment to our mission and his ability to lead across multiple business lines. Through his servant leadership style Pierre has earned the respect of customers and peers, as well as employees, who view him as a trusted leader who genuinely cares about them.
